

Condition of Sale Warranty Information for Products Sold by Pro1 Race Parts

Although our Warranty Issues are very low, for the quickest and best results please follow the following procedure.

For All Kenco Racing Products you can deal directly with Pro1 Race Parts. Call 040009024 or email shelfordbros@gmail.com

For all other Brands it is a condition of sale you deal directly with the Manufacture. In the Past we have tried to Liaise between Manufactures and our Valued Customers, however it has come apparent that this avenue is not sustainable. Below are links to the most common Manufactures. In our experience some will ask for you to contact us, please reply that "Pro1 Race Parts Condition of Sale is the Customer Deals Direct with your Company"

We have Tested this Procedure with a select few Customers that had Issues, the Response Time and outcome has far exceeded what we where experiencing. We thank you for Taking the time to deal directly with them, and if you are experiencing problems with this please [Contact Us](#)
